

## CIDA

# AWARDS FOR CONSTRUCTION EXCELLENCE

### (For Specialist Construction Contractors)

#### CONDITIONS OF CIDA AWARD SCHEMES

1. The detail information required in the attached form should be fully compiled with and forwarded to the Director – Development, Construction Industry Development Authority, No. 123, Wijerama Mawatha, Colombo 07. An incomplete application will not be accepted and will be notified to the Applicant.
2. The application fee should be forwarded with the appropriate fee as stipulated below.

	Financial Category	Fees (Rs.)
Category I	$X > 250$ (above Rs. 250 M)	100,000 +VAT
Category II	$250 \geq X > 100$ (in between Rs. 100 – 250 M)	80,000 +VAT
Category III	$100 \geq X > 50$ (in between Rs. 50 – 100 M)	70,000 +VAT
Category IV	$50 \geq X > 25$ (in between Rs. 25 – 50 M)	50,000 +VAT

The contesting organization must have carried out a project belongs to any of the categories given below and scope of such a project/work shall be adequate to demonstrate the applicant's excellence in one of the following fields. Acceptability of the applicant's scope of work shall be decided by CIDA.

- Aluminium & Finishes (A&F) –(as per the specification in the guideline for Grading & Registration of Construction Contractors CIDA/ID/10)
- Water Proofing (WP)
- Swimming Pools (SP) (Industrial & Domestic)

3. If the application is accepted, the contractor will be required to provide comfortable transport and accommodation to members of the inspection panel (when required), at the expense of the applicant.
4. **No application shall be submitted for** designs & documents carried out by non-qualified persons. Qualified persons are:
  - Architects registered at the Architects Registration Board (ARB) of the Sri Lanka Institute of architects (SLIA)
  - Engineers recognized by the Institute of Engineers Sri Lanka **OR**  
Society of Structural Engineers Sri Lanka  
Association of Consulting Engineers Sri Lanka **OR**
  - Quantity Surveyors recognized by the Institute of Quantity Surveyors Sri Lanka(IQSSL).
  - Any other recognized professional body in the relevant field
5. **Application should be submitted with the commencement of the specialist construction works.**
6. Applicants should ensure that the project owners are in full possession of the land and access and free of environmental defects. (clearance certificates should be provided from the relevant authorities, where possible.)
7. **Applicants are required to submit** the following documents along with their application.
  - a. Set of Architectural, Structural Services (only for Swimming Pools), Construction drawings and shop drawings(for Aluminium work) authenticated by persons specified at (4) above.
  - b. Signed contract documents including Contract Agreement or work order.
  - c. Construction Programme

At the initial examination of drawings & documents, CIDA may require additional drawings related to the work (If the drawings are found unacceptable, the application may be rejected and 50% of the fees would be refunded.

8. In the event the project is found with lapses of serious nature; (through observations of construction work on site or /and by documentary evidence on site), CIDA may discontinue the project from the Award Scheme.

Contract document, i.e. conditions of contract including BOQ, the Agreement and Specifications would be called for if and when required.

9. The project will be considered for the award after the defects liability period.

**In the event that defects of a serious nature arise after an award is made, CIDA is empowered to recall the award, already made and in such an event the Awardees will not be entitled to any compensation for expenses incurred including fees paid with the application.**
